5. Calculation and transfer of administrative assessment. The commission shall establish by rule an administrative assessment that when applied to each of the assessed funds yields a total that approximates the amount of the shortfall. The assessment is a percentage of the revenue each fund receives under section 1036. An assessment may be made on a monthly basis. The commission shall certify the amounts to be assessed on each of the assessed funds to the Treasurer of State, who shall transfer those amounts to the operating account.

For the purposes of Title 1, section 402, subsection 3, the types of records and information listed in section 1006, subsection 1 when collected by or provided to the commission are designated as confidential and may not be disclosed except as provided in section 1006, subsection 2. SECTION HISTORY

§271. ISSUANCE OF LICENSES FOR THE CONDUCT OF RACING

1. Licensing. If the commission is satisfied that all of this chapter and rules prescribed by the commission have been substantially complied with during the past year and will be fully complied with during the coming year by the person, association or corporation applying for a license; that the applicant, its members, directors, officers, shareholders, employees, creditors and associates are of good moral character; that the applicant is financially responsible; and that the award of racing dates to the applicant is appropriate under the criteria contained in subsection 2, it may issue a license for the holding of harness horse races or meets for public exhibition with pari-mutuel pools, which must expire on December 31st. The fee for a license is \$100 or \$10 per week, whichever is higher. The commission shall provide a booklet containing harness racing laws and rules and relevant portions of the Maine Administrative Procedure Act to every initial

licensee and a fee not to exceed \$10 must be included in the license fee to cover the cost of this publication. The commission shall provide necessary revisions of this booklet to those persons renewing licenses at the time of renewal and shall include the cost of the revisions, not to exceed \$10, in the renewal fee. The license must set forth the name of the licensee, the place where the races or race meets are to be held and the specific race dates and time of day or night during which racing may be conducted by the licensee. If the commission determines that the location where a commercial track is licensed to conduct races is unavailable, it may permit a licensee to transfer its license to another location. The substitute location and the races conducted there by the licensee must be conducted in accordance with this chapter. A license issued pursuant to this subsection is not transferable or assignable. The District Court Judge, as designated in Title 4, chapter 5, may revoke any license issued at any time for violation of the commission's rules or licensing provisions upon notice and hearing. The license is automatically revoked, subject to Title 5, chapter 375, upon a change in ownership, legal or equitable, of 50% or more of the voting stock of the licensee; the licensee may not hold a harness horse race or meet for public exhibition without a new license.

[2003, c. 687, Pt. B, §3 (AMD); 2003, c. 687, Pt. B, §11 (AFF) .]

2. Criteria for date awards. In assigning race dates to licensees, the commission shall consider the following factors:

A. The revenues to be generated, consistent with the profitability and financial health of the licensee, for the operating account pursuant to section 287; the purse supplements pursuant to section 286; the Sire Stakes Fund pursuant to section 281; and the Stipend Fund pursuant to Title 7, section 86; [2007, c. 539, Pt. G, §7 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

B. The quality of race programming and facilities offered and to be offered by the licensee and the suitability of the applicant's racing facilities for operation at the season for which the race dates are requested; [1995, c. 408, §2 (AMD) .]

C. The necessity of having and maintaining proper physical facilities for racing meetings; and consequently, to insure the continuance of the facilities, the quality of the licensee's maintenance of its track and plant, the adequacy of its provisions for rehabilitation and capital improvements and the necessity of fair treatment of the economic interests and investments of those who, in good faith, have provided and maintained racing facilities; [1985, c. 444, §2 (NEW) .]

D. The desirability of reasonable consistency in the pattern of race date assignments from year to year; [1995, c. 408, §2 (AMD) .]

E. With respect to agricultural societies seeking licenses to conduct harness racing meets at the time of their annual fairs, the scheduling of agricultural fairs determined by the Commissioner of Agriculture, Conservation and Forestry pursuant to Title 7, sections 83 and 84; [2005, c. 563, §5 (AMD); 2011, c. 657, Pt. W, §6 (REV) .]

F. The preservation of a diversity of harness racing tracks in the State; [1985, c. 444, §2 (NEW) .]

G. The quality of the licensee's observance and enforcement of this chapter and the rules promulgated pursuant to this chapter during the past year; [1985, c. 444, §2 (NEW) .]

H. The extent to which the licensee fully utilized race dates granted to it for the past year; [1995, c. 408, §2 (AMD) .]

I. The personnel and resources available to the commission for the enforcement of this chapter and the rules promulgated pursuant to this chapter; [1985, c. 444, §2 (NEW) .]

J. The likely availability of race-worthy horses throughout the year; and [1985, c. 444, §2 (NEW) .]

K. Such other criteria consistent with the betterment of harness racing and the public health, safety and welfare as the commission may establish by rule. [1985, c. 444, §2 (NEW).]

[2007, c. 539, Pt. G, §7 (AMD); 2007, c. 539, Pt. G, §15 (AFF); 2011, c. 657, Pt. W, §6 (REV) .]

3. Overlapping race dates. The commission may not award overlapping race dates for extended meets to licensees within 50 miles of each other without the approval of 60% or more of the entire commission.

[1991, c. 579, §10 (AMD) .]

4. Evaluation.

[1991, c. 579, §10 (RP) .]

5. Minimum number of race dates. The commission may assign a commercial licensee a minimum number of race dates for a period of up to 3 years. The specific calendar dates for the minimum number of race dates and any additional race dates are determined each year in accordance with subsection 1. For the purposes of this subsection, "commercial licensee" means a licensee with an annual total of more than 25 race dates with pari-mutuel wagering in the previous calendar year.

[1995, c. 408, §3 (AMD) .]

6. Conditions. The commission may impose conditions on a license if one or more of the criteria established in this section are not met at the time the license is issued, but may be brought into compliance within a time period during the licensing year.

[1997, c. 406, §1 (NEW) .]

7. Hearing on horse supply. Prior to August of each year, the commission shall conduct a hearing to determine whether the horse supply in the State has been adequate for the number of dashes conducted on assigned race dates. If the commission concludes that the horse supply has been inadequate, the commission shall limit to the extent necessary the number of dashes that a licensee may race on any date after August 1st of that year that has been assigned to more than one track. The commission may not restrict the number of dashes to fewer than 10.

[1997, c. 1, §5 (RAL) .]

8. Term of license and race date assignment. Notwithstanding any provision of this chapter to the contrary, each license to conduct live racing or to engage in simulcast wagering, including by operating an off-track betting facility as defined in section 275-A and all awards of race dates issued or made by the commission, beginning with licenses issued and race dates awarded for 1998, may be for a 2-year period.

[2001, c. 320, §1 (AMD) .]

9. Previous year's dates. Beginning with licenses issued for calendar year 1996, notwithstanding any other provision of this chapter, every commercial track that is licensed for a specific calendar year must be assigned all of the race dates that it requests for that year if it conducted live racing on those dates during the immediately preceding calendar year. For the purposes of this section, a race date is the same from year to year if it is the closest calendar date that falls on the same day of the week.

§272-C. TRUST ACCOUNT

(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)

1. Establishment; deposits. A licensee conducting live racing in the State shall establish a trust account for the benefit of the persons who race horses at that licensee's facility. Except as provided by subsection 3, funds distributed to or retained by the licensee pursuant to sections 287, 289, 290, 292 and 298 and Title

7, section 91, less any administrative assessments pursuant to section 267-A, that must be used to pay or supplement harness racing purses must be deposited in that account and used exclusively to pay harness racing purses. The funds in a trust account established in accordance with this subsection are not considered to be property of the licensee, may not be pledged as security for the debts of the licensee and are not subject to attachment or execution by creditors of the licensee.

[2013, c. 490, §2 (NEW) .]

2. Payment if licensee fails to conduct racing. If a licensee fails to conduct a race meet during a calendar year, all funds held in the trust account established under this section by that licensee must be returned to the commission, which shall return to the licensee any amount that represented a reimbursement that equaled an overpayment of harness racing purses. Any remaining balance of the trust account must be redistributed by the commission to the trust accounts of all racetracks that continue to conduct live racing in the State, with each track receiving that portion of money determined by multiplying the amount of money available for redistribution by a fraction, the numerator of which is the number of race dates at that racing facility during the prior calendar year and the denominator of which is the total number of race dates throughout the State during that year, except that those funds received by a licensee pursuant to section 298 must be returned to the fund to supplement harness racing purses established in section 298 and must be distributed according to that section.

[2013, c. 490, §2 (NEW) .]

3. (TEXT EFFECTIVE UNTIL 6/30/17) (TEXT REPEALED 6/30/17) Limited interim use of funds permitted. Notwithstanding subsection 1, a licensee, solely for the purpose of funding racing operations, may during the period from January 1st to April 30th make use of funds that otherwise would be in a trust account established pursuant to subsection 1 if the following conditions are met:

A. The amount of the funds to be used is approved in writing by the association described in section 272-B; [2013, c. 490, §2 (NEW) .]

B. The licensee provides the executive director of the commission written notice of the amount of funds to be used and the written approval from the association under paragraph A to use the funds; [2013, c. 490, §2 (NEW) .]

C. The executive director of the commission certifies that the licensee is likely to receive disbursements from the funds established under sections 295 and 299 and Title 7, section 91 within 120 days; and [2013, c. 490, §2 (NEW) .]

D. Funds used are repaid to the trust account established pursuant to subsection 1 no later than 10 days from the May 30th distribution to the licensee under section 295, subsection 2 and section 299, subsection 2. [2013, c. 490, §2 (NEW) .]

§275-A. DEFINITIONS

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [1997, c. 528, §13 (AMD).]

1. Commercial track. "Commercial track" means a harness horse racing track licensed under this chapter to conduct harness horse racing with pari-mutuel wagering that:

A. If the population of the region is 300,000 or more, based on the 1990 U.S. Census, conducted racing on more than 100 days in each of the previous 2 calendar years, except that if a racetrack that qualifies as a commercial track under this paragraph ceases operation, a separate racetrack operated by the owner or operator of the racetrack that ceased operation qualifies as a commercial track, and for all purposes is considered the same commercial track as the track that ceased operation, if the population of the region of that separate racetrack is 300,000 or more, based on the 1990 U.S. Census, and the sum of the number of days on which racing was conducted at the track that ceased operation and the number of days on which racing was conducted at the separate racetrack equals at least 100 days in each of the 2 preceding calendar years; [2013, c. 490, §3 (AMD).]

B. If the population of the region is less than 300,000, based on the 1990 U.S. Census, conducted racing on more than 25 days in each of the previous 2 calendar years, except that if a racetrack that qualifies as a commercial track under this paragraph ceases operation, a separate racetrack operated by the owner or operator of the racetrack that ceased operation qualifies as a commercial track, and for all purposes is considered the same commercial track as the track that ceased operation, if the population of the region of that separate racetrack is less than 300,000, based on the 1990 U.S. Census, and the sum of the number of days on which racing was conducted at the track that ceased operation and the number of days on which racing was conducted at the separate racetrack equals at least 26 days in each of the 2 preceding calendar years; [2013, c. 490, §3 (AMD).]

C. Began operation after January 1, 2014 in a region with a population of 300,000 or more, based on the 1990 U.S. Census, to replace a commercial track as defined by paragraph A that ceased operation after January 1, 2014 and for which no separate racetrack has been opened by the owner or operator of that commercial track that ceased operation. For purposes of this paragraph, a racetrack is not required to have conducted racing during the 2 preceding calendar years but is required to conduct racing on at least 100 days during each calendar year after the track is initially licensed as a commercial track. If a commercial track under this paragraph has not been granted 100 race days by the commission for the initial calendar year of operation, race days conducted during that year by the commercial track that ceased operation after January 1, 2014 are credited to the replacement commercial track; or [2013 , c. 490 , §3 (NEW) .]

D. Began operation after January 1, 2014 in a region with a population of less than 300,000, based on the 1990 U.S. Census, to replace a commercial track as defined by paragraph B that ceased operation after January 1, 2014 and for which no separate racetrack has been opened by the owner or operator of that commercial track that ceased operation. For purposes of this paragraph, a racetrack is not required to have conducted racing during the 2 preceding calendar years but is required to conduct racing on at least 25 days during each calendar year after the track is initially licensed as a commercial track. If a commercial track under this paragraph has not been granted 25 race days by the commission for the initial calendar year of operation, race days conducted during that year by the commercial track that ceased operation after January 1, 2014 are credited to the replacement commercial track. [2013 , c. 490 , §3 (NEW) .]

For the purposes of this subsection, "region" is determined by measuring a distance of 50 miles from the center of the racing track along the most commonly used roadway, as determined by the Department of Transportation, drawing a circle around the center of the racing track using that 50-mile measurement and excluding those municipalities or unorganized territories that do not have boundaries contained entirely by that circle.

For purposes of this subsection, the market area is determined by measuring a distance of 35 miles from the off-track betting facility along the most commonly used roadway adjacent to the off-track betting facility, as determined by the Department of Transportation, drawing a circle around the center of the off-track betting facility using that 35-mile measurement.

[2003, c. 401, §13 (AMD) .]

5. Municipal approval. The commission may not grant a license to conduct pari-mutuel wagering at an off-track betting facility unless the facility is approved in accordance with this subsection by the municipal officers of the municipality in which the facility is to be located.

A. Within 15 days after receiving an application for an off-track betting facility license or within 15 days after the expiration of the 30-day objection period described in subsections 3 and 4 when the proposed facility is located within the market area of an existing off-track betting facility or a commercial racetrack, the commission shall notify the municipal officers of the municipality in which the facility is to be located and shall send a copy of the application to those officers. The municipal officers shall hold a public hearing for the consideration of the application in accordance with this subsection. [1993, c. 388, §8 (NEW) .]

- (2) Conviction by the applicant or a holder of more than 50% of the shares or other interests of the applicant of a Class A, Class B or Class C crime;
- (3) Noncompliance of the facility or the facility's use with a local zoning ordinance or other land use ordinance;
- (4) Conditions of record, such as waste disposal violations, health or safety violations and repeated parking or traffic violations, on or in the vicinity of the facility and caused by persons patronizing or employed by the facility or other conditions caused by persons patronizing or employed by the facility that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the facility to use their property in a reasonable manner;

6. Requirements for approval of license. The commission shall review the application and hold a public hearing on the application. The commission may issue a license to conduct pari-mutuel wagering at an off-track betting facility if:

- (3) Will not have an adverse impact on the local community;
- (4) Provides a potential for job creation, including jobs in the racing and wagering industries and other service jobs;
- (5) Has adequate seating facilities, toilet facilities and parking;
- (6) Will not adversely affect the value of abutting property;
- (7) Will be operated by an applicant with financial ability to maintain the facility in a manner that meets the standards set forth in this paragraph;
- (8) Provides segregated areas for conducting betting separate from the areas in which restaurant or other services are provided to the general public for nonbetting purposes; and
- (9) Will not adversely affect existing licensed off-track betting facilities within 35 miles of the proposed facility. [1993, c. 388, §8 (NEW).]

B. The municipal officers of the municipality in which the facility is to be located have approved the facility pursuant to subsection 5; [1993, c. 388, §8 (NEW).]

C. [1993, c. 388, §8 (NEW) .]

7. Operation of facility. 8. Requirements for simulcasting. The following requirements apply to simulcasting by off-track betting facilities.

A. An off-track betting facility located within a 75-mile radius of a noncommercial racing licensee may not present a simulcast at the same time that racing licensee is conducting live racing, unless the racing licensee consents and the facility pays the racing licensee 2% of the wagers made at the facility

at the time live racing is being conducted. An off-track betting facility within a 50-mile radius of a noncommercial racing licensee may not present a simulcast during any day on which that racing licensee is conducting live racing, unless the racing licensee consents and the facility pays the racing licensee 1% of the wagers made on that day. Amounts payable under this section are taken from the facility's share of wagers authorized in section 286. If the racing licensee is conducting simulcasting pursuant to section 295, subsection 2, then the racing licensee is not entitled to payment by the facility under this section. [1997, c. 528, §21 (AMD) .]

B. If live racing being conducted in this State is available for simulcast, all off-track betting facilities shall provide broadcasts originated in the State on the monitors in the facility, as required by rule of the commission, and shall accept wagers on those races on all of its pari-mutuel selling terminals. The races must be broadcast as announced on the track. At any time harness racing originated in the State is available for simulcast, the facility may not broadcast harness racing from outside the State without approval of:

- (1) Each racetrack in the State conducting harness racing at that time; and
 - (2) Either the association representing the horsemen at those tracks at that time or the commission.
- [1997, c. 528, §22 (AMD) .]

9. Annual report. The department shall report annually by January 1st to the joint standing committee of the Legislature having jurisdiction over legal affairs matters and to the joint standing committee of the Legislature having jurisdiction over agricultural matters on the effect of off-track betting facilities on the local economy, the public interest, the integrity of live racing and other matters the department finds appropriate. The department may include in its report any recommendations for necessary changes in laws governing off-track betting.

[1997, c. 528, §23 (AMD) .]

10. License nontransferable. An off-track betting facility license issued is not transferable or assignable.

[1997, c. 528, §24 (NEW) .]

11. Revocation. The District Court Judge, as designated in Title 4, chapter 5, may revoke any license issued at any time for violation of the commission's rules or licensing provisions upon notice and hearing. The license of any corporation is automatically revoked, subject to Title 5, chapter 375, upon the change in ownership, legal or equitable, of 50% or more of the voting stock of the corporation, and the corporation may not conduct off-track betting without a new license.

[1999, c. 547, Pt. B, §26 (AMD); 1999, c. 547, Pt. B, §80 (AFF) .]

12. Approval of dates. [1997, c. 528, §24 (NEW) .]

13. Conditions. The commission is authorized to impose conditions on a license if one or more of the criteria established in this section are not met at the time the license is issued and the licensee is able to comply with the conditions within a specified time period during the licensing year or if the conditions are requested both by the municipality as a condition of its approval and by the applicant.

SECTION HISTORY

1997, c. 528, §46 (NEW).

§287. PAYMENT OF STATE SHARE

1. Payment. Amounts calculated as state share under section 286 must be paid to the Treasurer of State for deposit in the operating account established under section 267-A. If the total of regular and exotic wagers placed at facilities licensed under this chapter exceeds \$35,000,000 for any calendar year, the portion payable to the operating account must be distributed in accordance with this section. All wagers placed at off-track betting facilities and racetracks must be included in making this calculation, including wagers made in this State to commingled pools.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

2. Commercial meet account. The Treasurer of State shall deposit in a commercial meet account 72% of the revenue credited to the operating account under this section that is attributable to amounts in excess of \$35,000,000. This account must be divided in the proportion that the contributions of regular and exotic wagers of pari-mutuel pools on live racing made or conducted at the commercial meets of each licensee during the calendar year bear to the total contributions of regular and exotic wagers to pari-mutuel pools on live racing made or conducted at the commercial meets of all licensees during that calendar year. Licensees sharing in this distribution shall use 1/2 of the funds received for the purpose of supplementing purse money. The other 1/2 of this distribution must be paid to the commercial licensees as reimbursement for improvements made to their racing facilities in the calendar year during which the funds are generated or, beginning January 1, 2000, during the prior year. To receive reimbursement, commercial licensees must submit plans for the improvements to the commission and receive approval from the commission prior to making the improvements, and the commission must verify that the approved improvements have been made.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

3. Payment to Stipend Fund. Nine percent of the revenue credited to the operating account under this section that is attributable to amounts in excess of \$35,000,000 must be distributed to the Stipend Fund as provided in Title 7, section 86.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

4. Sire Stakes Fund. Nine percent of the revenue credited to the operating account under this section that is attributable to amounts in excess of \$35,000,000 must be paid to the commission to be credited to the Sire Stakes Fund as provided in section 281.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

5. Definition. For the purposes of this section, "improvements" means the amount paid out for new buildings or for permanent improvements made to improve the facilities utilized by the licensee for conducting its racing meetings; or the amount expended in restoring property or in improving the facility or any part of the facility that results in the addition, replacement or substantial enhancement or restoration of a fixed asset or of a movable asset that is important to efficient operation of the racing meetings. In general, the amounts referred to as improvements include amounts paid that add to the value, improve or substantially prolong the useful life of the racetrack and moveable assets utilized by the licensee for conducting its racing meetings. Amounts paid or incurred for routine repairs and maintenance of property, interest expense or lease payments in connection with the capital improvements are not improvements within the meaning of this section. In order to qualify as an improvement, a substantial enhancement or restoration of an asset must cost at least \$2,000 and must be an expenditure that would qualify for depreciation under the United States Internal Revenue Code. A moveable asset may be considered important to the efficient operation of a race meeting if the asset will remain at the commercial track or at the offices of the licensee throughout its use and if that asset is directly associated with running races, accommodating patrons of the race meet, conducting pari-mutuel wagering or paying purses.

[1999, c. 622, §1 (AMD) .]

6. Timing of payment. Payment under this section must be made no later than 7 days after each race and must be accompanied by a report under oath showing the total of all contributions to pari-mutuel pools covered by the report and other information the commission requires.

[1997, c. 528, §46 (NEW) .]

7. Interim payments to commercial tracks. If during the course of any calendar year the commission finds that wagers placed at facilities licensed under this chapter for the year are likely to exceed \$35,000,000, it may, if reasonably necessary for improvements to be effected expeditiously, direct the Treasurer of State to make interim payments to a commercial track in amounts as the commission finds the commercial track is likely to be entitled to receive under this section. If a commercial track receives interim payments under this subsection that exceed the total amount the commercial track is entitled to receive for the calendar year, the Treasurer of State shall reimburse the operating account for this excess by retaining money otherwise due to that commercial track pursuant to section 295.

[2005, c. 563, §7 (AMD) .]

2. Extended meet account. The Treasurer of State shall distribute the balance of the amount calculated as Stipend Fund share as follows.

A. The first \$400,000 of the total amount, regardless of when actually collected, must be credited to the Stipend Fund as provided in Title 7, section 86. [2005, c. 563, §7 (AMD) .]

B. From the balance of the total amount in excess of \$400,000, regardless of when actually collected, 80% must be paid and returned no later than 30 days after the end of the calendar year to those persons, associations and corporations that during that calendar year conducted an extended meet pursuant to a license granted by the commission in section 271. This payment must be divided in the proportion that the contributions of regular and exotic wagers to pari-mutuel pools on live racing made or conducted at the extended meets of each racing licensee during that calendar year bear to the total contributions of regular and exotic wagers to pari-mutuel pools on live racing made or conducted at the extended meets of all racing licensees during that calendar year.

Licensees sharing in this distribution shall use 1/2 of the funds so received for the purpose of supplementing the purse money. [1997, c. 528, §46 (NEW) .]

On May 30th, September 30th and January 30th, payments made under this subsection and subsection 1 for distribution in accordance with this subsection must be divided among the licensees conducting live racing in the State. The amount of the payment made to a licensee is calculated by dividing the number of race dates on which that licensee conducted live racing in any calendar year by the total number of race dates on which all licensees conducted live racing in that year. Beginning January 30, 1997, the January 30th payment must be adjusted to reflect the dates when live racing was actually conducted during the previous year, not the dates granted.

On April 30th, July 30th, October 30th and January 30th of each year, all amounts credited to the fund established by this section as of the last day of the preceding month and not distributed before that day must be distributed to each commercial track, as defined in section 275-A, subsection 1, to each agricultural fair licensee that conducts live racing on fair dates assigned by the commissioner pursuant to Title 7, section 84 and to each agricultural fair licensee that conducts an extended meet as long as that licensee conducted an extended meet in 2005, with each commercial track and each agricultural fair licensee receiving an amount of money determined by multiplying the amount of money available for distribution by a fraction, the numerator of which is the total number of live race dashes assigned to the commercial track or agricultural fair licensee for the year and the denominator of which is the total number of race dashes assigned to all commercial tracks and agricultural fair licensees for the year. The payment in January

must be adjusted so that for the prior year each commercial track or agricultural fair licensee entitled to a distribution receives that portion of the total money distributed for the full year from the fund established by this section that is determined by multiplying the total amount of money by a fraction, the numerator of which is the number of live race dashes conducted by the commercial track or agricultural fair licensee during the calendar year that qualify for a distribution and the denominator of which is the total number of race dashes conducted during that calendar year that qualify for a distribution. For purposes of this subsection, a race dash qualifies for distribution if the dash was conducted by a commercial track or by an agricultural fair licensee on dates assigned under Title 7, section 84 or during an extended meet. The funds distributed pursuant to this subsection must be used to supplement harness racing purses.

This subsection takes effect December 31, 2009.
